

MIDTOWN *Brackenridge*
SAN ANTONIO, TEXAS

CONSOLIDATED NEIGHBORHOOD PLAN - LAND USE

The four neighborhood plans, each developed and adopted at different times, address the commercial district using different color keys and descriptions of the desired character of the commercial district. This plan is the first attempt to consolidate these different descriptions of character. The consolidated color keys include the descriptions from the different neighborhood plans for similar areas.

- | | | | |
|--|---|---|--|
| - LOW DENSITY RESIDENTIAL | - NEIGHBORHOOD COMMERCIAL | - INDUSTRIAL | - TIRZ BOUNDARY |
