Project Number: 40-00047

Broadway Corridor - Phase III A (Carnaha

District: 09
Project Manager: David Matney
Capital Project Officer: JOHN DONNELLY (210) 207-4019

Total Project Funding: \$10,207,225

Project Status: UNDER DESIGN
Estimated Construct Start: 03/2011
Estimated Construction Completion: 10/2012

Project Scope

Broadway Corridor - Phase III A (Carnaha) to 150 feet north of Davis Court)
Provide a drainage system that is designed to convey a 100-year storm event across Broadway improving the Broadway corridor, beginning on Broadway at Groveland Place to the north to the extent of available funds; and along Hildebrand from Broadway to the outfall at the San Antonio River. The project also includes reconstructing and widening Hildebrand from N. New Braunfels Lane to the San Antonio River with curbs, sidewalks, driveway approaches, and turn lanes at the intersection of Hildebrand and Broadway and necessary traffic signal improvements.

Proposed Broadway Corridor - Phase IIIA - Map 2
Broadway, from Groveland to Hildebrand
Hildebrand E. San Antonio River to New Braunfels R.

GO

To find a project, click on any combination of the Choices above and press the "GO" button.

This web page provides the status of the City's 2007 - 2012 Bond Program projects. These projects include:

- Streets, Bridges and Sidewalk Improvements
- Drainage Improvements
- Parks, Recreation, Open Space and Athletics Improvements
- Public Health Facilities Improvements

To view information sheets on projects, use the filters located on the left to select categories of projects for viewing. Press **GO** to generate the list of projects. Once the list of projects is generated, click on the individual project name to view the information sheet or check the boxes next to the projects you wish to view and press the **SUBMIT** button in the upper right corner to view multiple project information sheets at one time.

The [Citizens Bond Oversight Commission](#) will advise the City as to the recommended process for delivery of capital improvement projects including the Bond Program projects.
